

Drew Dale

Event Production · Artist Booking · Technical Operations
Brooklyn, NY | drewedale@gmail.com | drewedale.github.io

Profile

Event producer and technical coordinator with experience booking artists and venues, managing budgets and show logistics, supporting author programs, and leading live audio teams. Brings hands-on production and calm technical troubleshooting to performances, talks, and corporate events.

Event and Technical Experience

Icebox Records — Founder, Event Manager & Booker Mar 2024–Present

Brooklyn, NY

- Planned and produced 50+ events and tour engagements in New York and internationally, reaching audiences in the thousands across eight countries.
- Book venues and talent; manage event and tour budgets, travel, technical needs, promotion, advance logistics, and on-site operations.
- Produced the four-act Subzero Sessions at Hell Phone, handling the venue and artist bookings, show logistics, and performance for approximately 100 attendees.

OR Books — Events and Technical Coordinator Sep 2024–Present

New York, NY

- Support virtual and in-person author programs through scheduling, participant communications, event logistics, records, and follow-up.
- Support technical needs for public programs; recorded a livestreamed author conversation for its published video.

The Reflection Room — Head of Audio Oct 2023–Present

Washington, DC

- Lead a five-person engineering team for live performance recording, coordinating artists, staff, equipment, setup, and teardown.
- Oversee audio routing, multitrack capture, system readiness, and technical standards across sessions.

Audio Visual Workshop — A1 Engineer Oct 2024–Jan 2025

Corporate event spaces

- Configured and maintained audiovisual systems in corporate event spaces and operated live sound during events.

Audio Visual Systems — A1 Engineer May 2022–Aug 2023

Washington, DC

- Delivered sound, video, and livestream support for events at The Wharf InterContinental and The Willard InterContinental.
- Managed AV equipment and coordinated with clients to support the run of show.

Education

American University — M.A. Audio Production May 2024

B.A. Audio Production, Minor in Philosophy, Summa Cum Laude May 2023
